

CORRIGENDUM

On page 11, in the 'Adult prevalence' column, the data for Western and Central Europe and for North America are wrong and should read as follows:

Western and Central Europe

| | |
|------|----------------|
| 2008 | 0.3 [0.2–0.3] |
| 2001 | 0.2 [<0.2–0.3] |

North America

| | |
|------|---------------|
| 2008 | 0.6 [0.5–0.7] |
| 2001 | 0.6 [0.5–0.7] |
